

WildHead Dataset Release Agreement

Thank you for your interest in the WildHead dataset. To ensure the proper use of the WildHead dataset, you must agree to and comply with the following terms and conditions. Please read this agreement carefully, complete the required information, and send the signed agreement to the designated email address.

The WildHead dataset is made available for research purposes only on a case-by-case basis. Any researcher requesting access to the WildHead dataset must sign this agreement and agree to abide by the restrictions listed herein. Failure to comply with these restrictions will result in denial of access to future versions of the WildHead dataset and may lead to civil liabilities in cases of unauthorized publication of images.

The researcher(s) agrees to the following restrictions on the WildHead dataset:

1. The WildHead dataset is available for non-commercial research purposes only.
2. You agree not to reproduce, duplicate, copy, sell, trade, resell, or exploit for any commercial purposes any portion of the images or any derived data from the WildHead dataset.
3. You agree not to further copy, publish, or distribute any portion of the WildHead dataset. Except for internal use at a single site within the same organization, making copies of the dataset is not permitted.
4. All submitted papers or any public texts using the WildHead dataset must cite our paper:

```
@inproceedings{li2025spherehead,  
  title={Spherehead: stable 3d full-head synthesis with spherical tri-plane representation},  
  author={Li, Heyuan and Chen, Ce and Shi, Tianhao and Qiu, Yuda and An, Sizhe and Chen,  
Guanying and Han, Xiaoguang},  
  booktitle={European Conference on Computer Vision},  
  pages={324--341},  
  year={2025},  
  organization={Springer}  
}
```

5. All images of the WildHead dataset are obtained from the Internet and are not the property of GAPLAB, The Chinese University of Hong Kong, Shenzhen. GAPLAB is not responsible for the content or the meaning of these images.
6. GAPLAB reserves the right to terminate your access to the WildHead dataset at any time.

Application Submission:

Please send the signed agreement to the official contact email: heyuanli@link.cuhk.edu.cn in the form of a scanned copy. The email format for the WildHead dataset application should be as follows:

Subject: WildHead Dataset Application

Attachment: WildHead_Dataset_Release_Agreement.pdf (scanned copy)

Printed Name: _____

Position: _____

Organization: _____

Address: _____

Email: _____

Tel: _____

Date: _____

Signature: _____

Please ensure all information is accurately filled out and that you have thoroughly read and understood the terms of this agreement. If you have any questions or require further clarification, please contact us at heyuanli@link.cuhk.edu.cn.

Thank you for your cooperation and support!
